### **Some Words from Your New Program Co-Chair by John Buck**

If you were at our Jan 14, 2015 General Meeting, you heard me accept Maury Green's challenge to succeed/replace him as SPAUG's Program co-Chair and took on the office of President. And you heard me place one qualification on my acceptance, which was that I would not try to find an outside presenter until our web site is finished and is something whose url I can be proud to share with any potential presenter I might invite.

I have other conditions I didn't state at the meeting.

- I will not try to get more than two (outside) presenter during 2014.
- I will not be Program co-Chair or Chair after the term of the current board ends.
- I do not know anybody outside SPAUG who might be a presenter.
- I expect that, if necessary, I could be the presenter at up to two meetings.
- I expect to be a coordinator/scheduler/ etc. I expect you to invite people you want to hear as presenters at SPAUG meetings.

Stan Hutchings has created a Google doc file into which Planning Committee and Board members, and perhaps others, can provide information about possible presenters. Right now, there are over forty items

### **SPAUG Meetings**

#### **General Meeting**

Open to the Public  
Second Wednesday of the month  
Palo Alto Elks Lodge  
**Next Meeting:**  
February 11, 7:00 pm

Come early to our pre-meeting  
no-host dinner in the Elks Lodge  
Bistro, beginning at 5:45 pm

#### **Board and Planning Meeting**

Open to all SPAUG members only  
**Next Meeting:**  
Wed February 25, 7 pm,  
Maury Green's HOA Mtg Rm,

listed. Most, if not all, are things I think I'd like to have shared at SPAUG. If you can't get someone you know to be a presenter, try working with someone on the list, but please let me know before you begin which one you've picked so I keep them from being invited by more than one member.

I think we have enough variety of talent/interests/capabilities in SPAUG that we might not need more than four outside presenters a year.

Go back and reread this article. If you don't invite presenters or volunteer to be a presenter, the nature of our General Meetings is likely to change.

## Jan 11 2015 General Meeting Notes

by Carl Plescia

### SPAUG GENERAL BUSINESS

- **John Buck** opened the meeting with an announcement that club dues for 2015 should be paid by all members at this time.

The SPAUG Board of Directors has approved this measure to improve the financial status of SPAUG.

- Thanks were expressed to **Robert Mitchell** for arranging the 1PASSWORD presentation for this meeting.
- **Jim Dinkey** announced that he is not able to continue as interim SPAUG president.

Members present expressed gratitude to Jim for his many years service to SPAUG.

- An election for a new president was held immediately, with two long-standing members as candidates: **Maury Green** and **Robert Mitchell**. Maury Green was elected and subsequently presided over the remainder of the general meeting.

### NEW CLUB WEBSITE: SPAUG GROUP FOR COMPUTERS AND TECHNOLOGY

- Maury Green started his presidency by describing the new SPAUG website which can be found at <http://spaug.net>.
- Maury who is also the SPAUG webmaster described the various kinds of information available on the new website: technical forums, current and previous newsletters, a calendar of events, the history of SPAUG, a list of SPAUG officers, official club documents, as well as other useful items. It also includes links to following social media: Facebook, Twitter, Google+ and YouTube.

### Our Migrating Board/Planning Meeting

Because of scheduling and site availability, our Board/Planning meetings are migrating. Here's our next one—

- **Tue, February 25, Maury Green's HOA room,  
Barron Park, Palo Alto**

## Meeting Day: Wednesday, February 11

### General Meeting

**Palo Alto Elks Lodge,  
4249 El Camino Real, Palo Alto**

**Meeting time is 7:00 pm**

The Elks Lodge is a light-colored two-story building on the North (bay) side of El Camino Real (ECR), just east (toward Los Altos) from the Charleston-Arastradero-ECR intersection. It's diagonally across ECR from the Crowne Plaza Cañana hotel. Map—<http://preview.tinyurl.com/lzzrq8m>

Park in the lot that wraps around the lodge, and proceed to the front door (on the West side of the bldg.). This is a key-carded door. If you cannot get in the front door because you are late, press the intercom button on the post to the left of the main entrance, identify why you're there (try "computer club"), and you should hear the door unlock. Pull the handle and enter

Proceed to the Lodge Room—upstairs. An elevator is available behind the stairway.

**Note that the Starting Time has been moved to 7 pm**

#### Typical Meeting Agenda

- 7:00 "Boot up", Crosstalk, Announcements
- 7:30 Coffee/Social Break
- 7:50 Return to seats
- 8:00 Presenter introduction and program
- 9:00 Raffle and Adjournment

### **PRESENTATION INTRODUCTION: PASSWORD MANAGERS**

Maury Green introduced the program for the evening with a short presentation on the intricacies and requirements for a good password manager. His topics included:

- 1) the names of several password managers,
- 2) “multi-factor” authentication,
- 3) the use of encryption,
- 4) multi-platform use, and
- 5) changing password managers.

Maury’s presentation can be found on the new SPAUG website at [spaug.net](http://spaug.net)

### **PRESENTATION: 1PASSWORD (A PASSWORD MANAGER)**

Megan and Alex from Agilebits made a live/remote visual presentation from Canada of their company’s product 1PASSWORD including the following topics:

- Why a password manager is needed,
- Workings of the 1PASSWORD User interface including the use of ‘items’ for credit cards, identity, etc.
- How 1PASSWORD uses encryption
- Cost of 1PASSWORD
- A question and answer session followed the presentation.
- Megan and Alex ended the program with a gift of five 1PASSWORD licenses to SPAUG.

A DVD of this meeting, including the full presentation describing 1PASSWORD, will be available for purchase at the next general meeting of SPAUG on February 11, 2015.

### **John Buck’s \$100 Challenge to SPAUG**

Inspired by Challenge Grants during KQED-FM (88.5) and KALW-FM (91.7) fund-raising drives, I decided to make a similar challenge to SPAUG. My Challenge is this:

***If SPAUG gets 30 new paid members, who were never previously members of SPAUG, at a dues rate of \$30 or more a year, by July 4, 2015, I (John Buck) will give SPAUG \$100.***

I invite others to make similar challenges.

In order to save on our printing and postage expenses, your Editor is limiting the size of the printed newsletter to four sheets (eight pages). However, there's often more material than the space in these eight pages can hold, so your Editor provides an online version that has more than this printed version.

### ADDING A PAGE TO THE INTERNET ARCHIVE/WAYBACK MACHINE

The January 26, 2015 *New Yorker* had an interesting multi-page article about the Internet Archive/Wayback Machine—<http://preview.tinyurl.com/k7opjbs>, <http://preview.tinyurl.com/nk2mp3n>. The article tells how easy it is to add a page to the archive—“And anyone who wants to can preserve a Web page, at any time, by going to [archive.org/web](http://archive.org/web), typing in a URL, and clicking “Save Page Now.””

Here’s a Wikipedia link—[http://en.wikipedia.org/wiki/Help:Using\\_the\\_Wayback\\_Machine](http://en.wikipedia.org/wiki/Help:Using_the_Wayback_Machine)

BTW — Here’s a neat way I found to use the Internet Archive (IA). Outside IA, I came across a page that wanted me to register on its site in order to read the full page. As a test, I copied the page’s url, and pasted it into the Wayback Machine’s “Save Page Now” field and pressed “SAVE PAGE”. Shortly after swallowing and digesting the url, IA displayed what seems to be the full page I wanted to see. Alas, this doesn’t work for every site.
